Sharing the Story: We recently heard a story of the impact Micah's Backpack is making in the lives of children. A child came home and rushed into the house excitedly carrying their backpack. The other kids in the house knew what the student was carrying and rushed over to see what was in the backpack. With smiles on their faces, the kids pulled out all the food to see what they had received. Micah's Backpack was a highlight of the day for that family.

Thank You for your generous support of Micah's Backpack!
